

# VINTAGE VERSATILITY™

## Horse Feed

### Product Description

**Vintage Versatility™** is a high-calorie blend of oats, vegetable oil, pellets and extruded fiber nuggets for equine athletes of all performance classes. **Vintage Versatility™** incorporates a *Triple Energy Release System™* - a combination of carbohydrates, fat and highly fermentable fiber, providing a sequential energy release to meet the complex demands of the equine performance athlete.

Available in a 50-lb bag.

### Features and Benefits

**Cleaned Oats** - *The preferred grain for horses, oats provide a readily available carbohydrate energy source with built in fiber for safe grain feeding.*

**High Fat** - *Vegetable Oil increases energy density and efficiency for sustained performance and endurance. The addition of fat helps reduce the risk of starch overload while maintaining desired calorie level for optimum weight and body condition of active horses.*

**Extruded Super-Fiber Nuggets** - *The extrusion process has been shown to improve feed digestibility and nutrient utilization. The super fibers (Beet Pulp, Soy Hulls and Rice Bran) promote healthy digestive function and provide extra calories without the risks associated with high-starch feeding.*

**Chelated Zinc, Copper and Manganese, Plus Bio-Available Selenium** - *Optimum levels and ratios are supplied to help ensure a balanced diet for maintenance and performance. The more biologically available forms promote the immune system sustaining overall health, especially in horses under stress.*

**Guaranteed Levels of Amino Acids** - *Helps ensure quality protein is available for the continuous growth and rebuilding of muscle tissue in performance horses.*

**Vitamin E and Stable Vitamin C** - *As potent antioxidants, these nutrients support tissue integrity and function, maximize immune response and help maintain optimal health and metabolism.*

## Suggested Feeding Recommendations:

**Daily Guide:** Adjust the feeding program according to the condition of the horse. Provide horses with good-quality hay, free-choice salt and plenty of fresh water.

<b>HORSE CLASS</b>	<b>AGE (in months)</b>	<b>SUGGESTED FEEDING RANGE* (in lbs.) per 100-lbs. of body weight</b>
<b>Suckling</b>	<b>0 to 4 - 6</b>	
<b>Weanling</b>	<b>4 - 6 to 12</b>	
<b>Yearling</b>	<b>12 to 24</b>	<b>0.75 - 1.50</b>
<b>2-Year Old</b>	<b>24 to 36</b>	<b>0.50 - 1.00</b>
<b>Maintenance</b>	<b>Mature</b>	
<b>Light Work (1 - 3 hrs/day)</b>	<b>Mature</b>	
<b>Moderate Work (3 - 5 hrs/day)</b>	<b>Mature</b>	<b>0.50 - 1.00</b>
<b>Intense Work (5 - 8 hrs/day)</b>	<b>Mature</b>	<b>1.00 - 1.50</b>
<b>Pregnant Mare (last 3 months)</b>	<b>Mature</b>	
<b>Lactating Mare</b>	<b>Mature</b>	<b>1.00 - 1.75</b>
<b>Breeding Stallion</b>	<b>Mature</b>	
<b>Horses with Heaves</b>	<b>Mature</b>	

\*Suggested program is based on offering grass or mixed grass hays. If feeding legume hays or rich pasture, consult your Blue Seal Territory Sales Manager or Customer Service.

For additional mineral-vitamin fortification, or if **Vintage Versatility™** is fed below the recommended feeding range, feed the appropriate **Winning Touch® Equine Supplement**, depending on type of hay being fed.

*The suggested feeding program is intended solely as a guide. The variables of management, environment and breed may dictate changes in the animal's requirements.*
