

VINTAGE® MARE & FOAL

Horse Feed

Product Description

Vintage® Mare & Foal is a nutrient-dense blend of extruded nuggets, oats, flaked corn and barley specifically designed to meet the high demands of foal growth and mare lactation. Lightly wrapped in molasses and vegetable oil, **Vintage® Mare & Foal** is an attractive blend with excellent acceptance and palatability.

Available in a 50-lb bag.

Features and Benefits

Blend of Quality Grains and Extruded Nuggets - *The blend of oats, corn, barley, and extruded nuggets provides calories to the mare and foal at different rates for controlled energy release. The inclusion of the highly digestible extruded nuggets may help to slow the rate of feed intake, helping to minimize the incidence of digestive upsets with high grain feeding.*

Added Amino Acids with Guaranteed Lysine and Methionine - *Helps ensure quality protein is available for proper growth and development of muscle tissue. Methionine is essential for good health and condition of hooves and hair coat.*

Chelated Zinc, Copper and Manganese, Plus Bio-Available Selenium - *The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in growing horses. Proper mineral nutrition can help guard against developmental orthopedic diseases in foals through direct consumption or indirectly through mare's milk.*

Vitamins A, D, E, and Stable Vitamin C - *Provides a supplemental source to help guard against deficiencies and maintain optimal health. As potent antioxidants, vitamin E and C maintain cell membrane and tissue integrity, plus support immune system function.*

B-Complex Vitamins (including Biotin) - *Actively involved in the metabolism of carbohydrates, fats and protein into usable energy for growth of skin, hair and hooves.*

Fermentation Aids - *Yeast culture, probiotics, enzymes and yucca schidigera aid in nutrient digestion, absorption and assimilation resulting in enhanced milk composition and foal growth. Mannan Oligosaccharides support the presence of beneficial bacteria in the gut, resulting in sustained horse health and a more stable digestive tract environment.*

VINTAGE® MARE & FOAL

COARSE/EXTRUDED HORSE FEED
For Sucklings, Weanlings and Lactating Mares

GUARANTEED ANALYSIS

Crude Protein, Min.	16.0 %
Lysine, Min.	0.85 %
Methionine, Min.	0.35 %
Crude Fat, Min.	5.0 %
Crude Fiber, Max.	8.5 %
Calcium, Min. 0.65 %	Max. 1.15 %
Phosphorus, Min.	0.70 %
Copper, Min.	50 ppm
Chelated Copper, Min.	12 ppm
Manganese, Min.	125 ppm
Chelated Manganese, Min.	20 ppm
Selenium, Min.	0.60 ppm
Zinc, Min.	155 ppm
Chelated Zinc, Min.	40 ppm
Vitamin A, Min.	5,500 IU/lb
Vitamin E, Min.	130 IU/lb

INGREDIENTS

Oats, Steam Flaked Corn, Steam Flaked Barley, Wheat Middlings, Soybean Meal, Ground Corn, Dehydrated Alfalfa Meal, Soybean Hulls, Dried Beet Pulp, Rice Bran, Corn Distillers Dried Grains, Yeast Culture, Cane Molasses, Vegetable Oil, Salt, Calcium Carbonate, Monocalcium Phosphate, L-Lysine Monohydrochloride, DL-Methionine, Zinc Sulfate, Zinc Proteinate, Copper Sulfate, Copper Proteinate, Manganese Sulfate, Manganese Proteinate, Cobalt Carbonate, Calcium Propionate, Calcium Iodate, Ferrous Sulfate, Selenium Yeast, Sodium Selenite, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Choline Chloride, Riboflavin, d-Calcium Pantothenate, Niacin, Folic Acid, Biotin, Vitamin B12 Supplement, Thiamine Mononitrate, Pyridoxine Hydrochloride, L-Ascorbyl-2-Polyphosphate (Source of Vitamin C), Oat Mill By-Product, Brewers Dried Yeast, Dried Enterococcus Faecium Fermentation Product, Dried Lactobacillus Acidophilus Fermentation Product, Dried Yeast Fermentation Solubles, Yucca Schidigera Extract.

CAUTION: This feed contains supplemental copper. Do not feed to sheep.

Suggested Feeding Recommendations:

STORE IN A COOL DRY PLACE

This product may spoil if stored under adverse conditions. Do not feed this product if believed to be unfit for animal consumption.

BLUE SEAL VINTAGE MARE & FOAL is a coarse-textured high protein and high energy feed containing a high level of extruded nuggets. It is a very palatable and digestible feed.

DAILY GUIDE: It is necessary to adjust the feeding of **BLUE SEAL VINTAGE MARE & FOAL** to the condition of the horse. Offer good quality hay and salt free choice. Provide plenty of fresh water.

Horse Class	Age	Suggested Feeding Range lbs/100 lbs. body wt./day
GROWTH		
Suckling	0 to 4-6 mos.	0.80 - 1.20
Weanling	4-6 to 12 mos.	0.95 - 1.50
Yearling	12 to 18 mos.	0.70 - 1.00
Long Yearling	18 to 24 mos.	0.65 - 0.80
2-Year Old	24 to 36 mos.	0.55 - 0.75
BREEDING		
Pregnant Mare, last trimester	Mature	0.50 - 0.65
Lactating Mare, first 3 mos.	Mature	0.75 - 1.15

*Suggested program is based on offering grass or mixed grass hays. If feeding legume hays or rich pasture, consult your Blue Seal Sales Representative or Customer Service.

Comments: For additional mineral-vitamin fortification, or if **VINTAGE MARE & FOAL** is fed below the recommended feeding range, feed the appropriate **Winning Touch Equine Supplement**, depending on type of hay being fed.

The suggested feeding program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's requirements.
