

PACER™

Horse Feed

Product Description

Pacer™ is a high-fat, fully fortified blend of oats, flaked corn, and flaked barley wrapped in molasses and vegetable oil for excellent acceptance and palatability. **Pacer™** is an excellent all-around sweet feed for active horses.

Available in a 50-lb bag.

Features and Benefits

High Calories from Quality Grains and Vegetable Oil - *The blend of oats, corn, barley and vegetable oil provides energy to the horse in different forms and at different rates to meet the diverse requirements for growth, reproduction and performance. As the preferred grain for horses, a high level of oats with built in fiber is added for safer grain feeding. A high level of **vegetable oil** also improves skin and hair coat condition, enhancing overall appearance of show horses.*

Loose Texture with No Pellets - *The loose bulky texture increases salivation and aids in digestion.*

Fixed Components - *A consistent formula using only the highest quality ingredients to prevent sudden changes in the diet and to maintain digestive health and function.*

Chelated Zinc, Copper and Manganese, Plus Bio-Available Selenium - *The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in active horses. Overall reproductive performance and efficiency is sustained in breeding mares and stallions.*

Vitamins A, D, E, and Stable Vitamin C - *Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, plus support immune system function.*

B-Complex Vitamins (including Biotin) - *Actively involved in the metabolism of carbohydrates, fats and protein into usable energy for performance and endurance. Added B vitamins support healthy growth of skin, hair and hooves.*

PACER™

COARSE TEXTURED HORSE FEED
For Active Horses at All Levels of Performance

Suggested Feeding Recommendations:

STORE IN A COOL DRY PLACE

This product may spoil if stored under adverse conditions. Do not feed this product if believed to be unfit for animal consumption.

BLUE SEAL PACER is a high-energy blend of crimped oats, flaked corn, and flaked barley wrapped in molasses and vegetable oil for excellent acceptance and palatability.

DAILY GUIDE: It is necessary to adjust the feeding of **BLUE SEAL PACER** to the condition of the horse. Offer good quality hay or pasture and salt free choice. Provide plenty of fresh water.

Horse Class	Age	Suggested Feeding Range* lbs/100 lbs body wt/day
Maintenance	Mature	0.40 - 0.60
Light Exercise	Mature	0.50 - 0.70
Moderate Exercise	Mature	0.60 - 0.80
Heavy Exercise	Mature	0.70 - 0.90
Very Heavy Exercise	Mature	0.85 - 1.40

*Suggested program is based on offering grass or mixed grass hays. If feeding legume hays or rich pasture, consult your Blue Seal Sales Representative or Customer Service.

Comments: For additional mineral-vitamin fortification, or if **PACER** is fed below the recommended feeding range, feed the appropriate **Winning Touch Equine Supplement**, depending on type of hay being fed.

The suggested feeding program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's requirements.
