

SPORT FORMULA®

Horse Feed

Product Description

Sport Formula® is a high-fat, low-protein, pelleted grain ration designed for active performance horses.

Available in a 50-lb bag.

Features and Benefits

Pelleted Form - Pelleting improves the digestibility and nutrient utilization of grains in the horses' sensitive digestive tract, while providing balanced nutrition in every bite.

High Fat - Vegetable Oil increases energy density and efficiency for sustained performance and endurance. The addition of fat helps reduce the risk of starch overload while maintaining desired calorie level for optimum weight and body condition of active horses. Vegetable oil also helps improve skin and hair coat condition, enhancing overall appearance of show horses.

Fixed Components - A consistent formula using only the highest quality ingredients to prevent sudden changes in the diet and to improve digestive health and function.

Added Amino Acids with Guaranteed Lysine - Helps ensure quality protein is available for the continuous rebuilding of muscle tissues in the equine athlete.

Chelated Zinc, Copper and Manganese, Plus Bio-Available Selenium - The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in active horses. Overall reproductive performance and efficiency is sustained in breeding mares and stallions.

Vitamins A, D, E, and Stable Vitamin C - Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, plus support immune system function.

B-Complex Vitamins (including Biotin) - Actively involved in the metabolism of carbohydrates, fats and protein into usable energy for performance. Added B vitamins support healthy growth of skin, hair and hooves.

Yeast Culture - To help maintain feed intake and a healthy digestive tract.

SPORT FORMULA®

PELLETED HORSE FEED

For Active Horses at All Levels of Performance

GUARANTEED ANALYSIS

Crude Protein, Min.	11.0 %	
Lysine, Min.	0.60 %	
Crude Fat, Min.	6.0 %	
Crude Fiber, Max.	8.0 %	
Calcium, Min.	0.65 %	Max. 1.15 %
Phosphorus, Min.	0.60 %	
Copper, Min.	50 ppm	
Chelated Copper, Min.	12 ppm	
Manganese, Min.	125 ppm	
Chelated Manganese, Min.	20 ppm	
Selenium, Min.	0.52 ppm	
Zinc, Min.	150 ppm	
Chelated Zinc, Min.	40 ppm	
Vitamin A, Min.	4,500 IU/lb	
Vitamin E, Min.	125 IU/lb	

INGREDIENTS

Ground Corn, Wheat Middlings, Soybean Hulls, Wheat Flour, Cane Molasses, Corn Distillers Dried Grains, Vegetable Oil, Calcium Carbonate, Yeast Culture, Salt, Monocalcium Phosphate, L-Lysine Monohydrochloride, Calcium Sulfate, Zinc Sulfate, Zinc Proteinates, Copper Sulfate, Copper Proteinates, Manganese Sulfate, Manganese Proteinates, Cobalt Carbonate, Calcium Iodate, Ferrous Sulfate, Selenium Yeast, Sodium Selenite, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Choline Chloride, Riboflavin, d-Calcium Pantothenate, Niacin, Folic Acid, Biotin, Vitamin B12 Supplement, Thiamine Mononitrate, Pyridoxine Hydrochloride, L-Ascorbyl-2-Polyphosphate (Source of Vitamin C), DL-Methionine, Oat Mill By-Product.

CAUTION: This feed contains supplemental copper. Do not feed to sheep.

Suggested Feeding Recommendations:

STORE IN A COOL DRY PLACE

This product may spoil if stored under adverse conditions. Do not feed this product if believed to be unfit for animal consumption.

BLUE SEAL SPORT FORMULA® is a low protein, pelleted grain ration for active horses at all levels of performance.

DAILY GUIDE: It is necessary to adjust the feeding of **BLUE SEAL SPORT FORMULA®** to the condition of the horse. Provide horses with good quality hay or pasture and salt free choice. Provide plenty of fresh water.

Horse Class	Age	Suggested Feeding Range* lbs/100 lbs body wt./day
Maintenance	Mature	0.40 - 0.60
Light Exercise	Mature	0.50 - 0.70
Moderate Exercise	Mature	0.60 - 0.80
Heavy Exercise	Mature	0.70 - 0.90
Very Heavy Exercise	Mature	0.85 - 1.40

*Suggested program is based on offering grass or mixed grass hays. If feeding legume hays or rich pasture, consult your Blue Seal Sales Representative or Customer Service.

Comments: For additional mineral-vitamin fortification, or if **SPORT FORMULA** is fed below the recommended feeding range, feed the appropriate **Winning Touch Equine Supplement**, depending on type of hay being fed.

The suggested program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's requirements.
