

ALL OUT™ HORSE 12/6 TEXTURED

Coarse Textured Horse Feed

Product Description

All Out™ Horse 12/6 Textured is a coarse-textured blend of oats, flaked barley, cracked corn, and pellets wrapped in molasses and vegetable oil. Designed for mature, performance horses fed good quality hay, **All Out™ Horse 12/6 Textured** provides a nutritionally balanced diet with excellent acceptance and palatability.

Available in a 50-lb bag.

Features and Benefits

Blend of Quality Grains and Pellets - *The blend of oats, barley, corn, and pellets provides energy to the horse at different rates for controlled energy release while the coarse texture increases salivation and aids in digestion.*

High Fat - *Vegetable Oil increases energy density and efficiency for sustained performance and endurance. The addition of fat helps reduce the risk of starch overload while maintaining desired calorie level for optimum weight and body condition of active horses. Vegetable oil also helps improve skin and hair coat condition, enhancing overall appearance of show horses.*

Fixed Components - *A consistent formula using only the highest quality ingredients prevents sudden changes in the diet and improves digestive health and function.*

Chelated Zinc, Copper and Manganese, Plus Bio-Available Selenium - *The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in growing horses and performance horses. Overall reproductive performance and efficiency is sustained in breeding mares and stallions.*

Vitamins A, D, E, and Stable Vitamin C - *Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, plus support immune system function.*

B-Complex Vitamins (including Biotin) - *Actively involved in the metabolism of carbohydrates, fats and protein into usable energy for performance. Added B vitamins support healthy growth of skin, hair and hooves.*

ALL OUT™ HORSE 12/6 TEXTURED

COARSE TEXTURED HORSE FEED
For Active Horses at All Levels of Performance

Suggested Feeding Recommendations:

Daily Guide: Adjust the feeding program according to the condition of the horse. Provide horses with good-quality hay, free-choice salt and plenty of fresh water.

HORSE CLASS	AGE	SUGGESTED FEEDING RANGE* lbs/100-lbs body weight/day
ADULT		
Light Exercise	Mature	0.50 - 0.70
Moderate Exercise	Mature	0.60 - 0.80
Heavy Exercise	Mature	0.70 - 0.90
Very Heavy Exercise	Mature	0.85 - 1.40

*Suggested program is based on offering grass or mixed grass hays. If feeding legume hays or rich pasture, consult your Blue Seal Representative or Customer Service.

For additional mineral-vitamin fortification, or if **All Out™ Horse 12/6 Textured** is fed below the recommended feeding range, feed the appropriate **Winning Touch® Equine Supplement**, depending on type of hay being fed.

The suggested feeding program is intended solely as a guide. The variables of management, environment and breed may dictate changes in the animal's requirements.
