

EZ-GO™

**Treats for All Horses Formulated with
Glucosamine HCl and Chondroitin Sulfate**

Product Description

EZ-Go™ Rounders® are a highly palatable horse treat that is designed for the horse with joint-related problems. **EZ-Go™ Rounders®** are fortified with Glucosamine HCl and marine-source Chondroitin Sulfate - the building blocks of healthy cartilage. Horses that are suffering from joint-related problems either due to age, trauma or inflammation may benefit from **EZ-Go™ Rounders®**.

Available in a 30-oz re-sealable bag.

Features and Benefits

Made with All-Natural Ingredients - *Healthier for horse, more acceptable to owner.*

Chelated Zinc, Copper and Manganese, Plus Bio-Available Selenium - *The greater absorption and utilization of zinc, copper, manganese and selenium helps meet the increased needs for bone, muscle and tissue strength in growing horses and performance horses. Overall reproductive performance and efficiency is sustained in breeding mares and stallions.*

Vitamin Fortified - *Provides a supplemental source of vitamins to guard against deficiencies and maintain optimal health.*

Unique and Highly Palatable Flavor - *Keeps horses coming back for more.*

Suggested Feeding Recommendations:

Five (5) **EZ-Go™ Rounders®** provides the horse with 3,600 mg of Glucosamine HCl and 1,200 mg of Chondroitin Sulfate. Feed less to smaller horses and more to larger horses. *For example:*

| | Horse's Weight (in lbs) | | |
|----------------------------|-------------------------|-------|-------|
| | 800 | 1,000 | 1,200 |
| Number of EZ-Go™ Rounders® | 4 | 5 | 6 |

The suggested feeding program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the horses' requirements.
